

LIST OF OPERATIONAL CONTROL PROCEDURE (OCP) – HINDI AND MARATHI

1. Bending CNC Machine
2. Bending CNC Pipe Machine
3. Bending Machine
4. Bending Pipe Process
5. Buffing & Polishing Process
6. Chemical Handling & Storage Process
7. Compressor Operation & Maintenance Process
8. Crane Machine
9. Cutting Abrasive Machine
10. Cutting Gas Machine
11. Cutting Machine
12. Cutting Pipe Machine
13. Cutting Plasma Gas Machine
14. Cutting Saw Machine
15. Drilling Machine
16. Fire Hydrant Pump Process
17. Fitup Process
18. Forming Process
19. Grinding Machine
20. Grinding Surface Machine
21. Grit Blasting Process
22. Hydra Crane Machine
23. Inspection & Testing Process
24. Lathe Machine
25. Machine Maintenance Process
26. Material Unloading & Storage Process
27. Memory Mechanism Assy Process
28. Milling Machine
29. Packing & Dispatch Procedure
30. Packing Procedure
31. Painting Procedure
32. Powder Coating Procedure
33. Press Machine
34. Punching Machine
35. Riveting Assy Process
36. Rolling Machine
37. Scrap Yard Procedure
38. Security Procedure
39. Shearing Machine

- 40. Tapping Machine
- 41. Tool Sharpening Process
- 42. VMC Machine
- 43. Waste Management Process
- 44. Welding Arc Machine
- 45. Welding General Process
- 46. Welding Projection Machine
- 47. Welding Spot Machine
- 48. Welding Stud Process
