

LIST OF STANDARD OPERATING PROCEDURE (SOP) - HINDI AND MARATHI

1. 7 Tank Process - Activation
2. 7 Tank Process - Degreasing - Titration Process
3. 7 Tank Process - Degreasing
4. 7 Tank Process - De-rusting - Titration Process
5. 7 Tank Process - De-rusting
6. 7 Tank Process - Final Insp - Powder Coating
7. 7 Tank Process - Incoming Inspection - Powder Coating
8. 7 Tank Process - Passivation
9. 7 Tank Process - Phosphating - Titration process
10. 7 Tank Process - Phosphating
11. Abrasive Cutter
12. Auto Coiling
13. Auto Tap Pasting
14. Bandsaw Cutting
15. Bench Grinder
16. Bending
17. Brazing
18. Buffing
19. Busbar Sleeving
20. Chemical Tanker Unloading
21. Circular Saw Cutter
22. CNC Bending
23. CNC Router Cutting
24. CNC SOP-L
25. CNC-P
26. Component Heating
27. Compression Moulding
28. Compressor
29. Core Building
30. Crane Operating
31. Crimping
32. Deburring
33. DG Set
34. Disperser Mc
35. DMC Mixer
36. Drilling Mc
37. Driver Safety Rules
38. DRO Milling Mc
39. Ear Plug

40. Emergency Plan
41. End Grinding
42. Epoxy Curing
43. Epoxy Mixing
44. Extruder
45. Filament Winding
46. Fire Extinguisher - PASS
47. Fire Extinguisher Type
48. Fire Extinguisher
49. Fire Hydrant
50. Fire PASS
51. First Aid Instructions
52. Forklift
53. Furnace
54. Gas Cutting
55. Grinding Mixing
56. Hacksaw Cutting
57. Hammer Machine - L
58. Hammer Machine - P
59. Hand Grinder
60. Hosa Coiling
61. Hot Laminating Press
62. Incoming Insp
63. Induction Furnace
64. Injunction Moulding
65. Lathe
66. Magnaflux
67. Milling
68. Mould Loading Unloading
69. Moulding
70. Normalizing Furnace
71. Oil fired Furnace
72. Painting Defects
73. Painting
74. Paper Roll Handling
75. Pipe Bending
76. Plasma Cutting
77. Powder Coating
78. Press - Epoxy Moulding Press
79. Press - Hand Press
80. Press - Hydraulic Press Break
81. Press - Mech Power Press
82. Press - Power Press
83. Press - Press Break

84. Press - Trimming Press
85. Press - Turret Punch Press
86. Profile Cutting
87. Pultrusion
88. Punching
89. Raw Material Storage
90. Resuscitation
91. Riveting
92. Rope Coiling
93. Rope Making
94. Scrap Yard
95. Sharing Hydraulic
96. Shearing Mach
97. Shearing Power
98. Shearing
99. Sheet Moulding
100. Sheet Rolling
101. Shop Floor Info
102. Shot Blasting - Machine
103. Shot Blasting - Manual
104. Slotting
105. Solvent Unloading
106. Surface Grinding
107. Tapping - Trading
108. Tapping
109. Traub Machine
110. Traub
111. Twisting
112. Vacuum Loader
113. Visitors Info
114. Visitors Instructions - 2
115. Visitors Instructions
116. VMC Machine
117. VMC
118. Welding - ARC
119. Welding - CO2
120. Welding - MIG
121. Welding - Organ Gas
122. Welding - Projection
123. Welding - SPOT
124. Welding - TIG
125. Welding Defects
126. Welding Do & Don'ts
